

Mi-she, mi-she, mi-she, mi-she, mi-she, mi-she, mi-she, mi-she nich-nas A - dar.

D.S. al Fine

This Purim tune, which is also often sung to the pasuk "V'nahafoch" from Megilas Esther 9:1, has been reharmonized for some added harmonic "bite." (The alternate changes on the "A" section are played the second time through the song on the recording.) The lyric is from the Gemara Ta'anis 29a.
